

FITTING YOUR LINEN PROTECTOR

PROTECT·A·BED

Every Mattress Needs Protection.™

No need to change your entire bed if an accident or spill occurs. Layer over a fitted sheet and fitted mattress protector.

If there is an accident, simply remove your Linen Protector, and go back to sleep knowing your bed is still protected by your mattress protector.

Single: (Pictured) Suitable for Single, Extra Long Single, and King Single beds. This linen protector spans the mid-section of the bed, tucking in at the sides.

Partner: Suitable for Double, Queen, King, and Super King beds. This linen protector spans one side of the bed, tucking in at the head and foot.
