VIENNE DESICCANT DEHUMIDIFIER

ION630

Efficiently dehumidify and refresh indoor air with the powerful **Ionmax Vienne ION630 Desiccant Dehumidifier.** Extracting up to 10L of moisture per day and featuring a built-in humidistat, the Ionmax Vienne can be set to automatically operate to reduce humidity to levels as low as 40%RH. A digital display offers convenient viewing of current indoor RH levels, and its built-in ioniser emits negative ions to refresh and revitalise indoor air. With user-friendly controls, a generous tank capacity and various safety features, the Ionmax Vienne desiccant dehumidifier promises not just high performance across all seasons, but also exceptional ease of use.
