3 STEP SLEEP PROGRAM

Otto/Cody will calm and sooth your baby to sleep with the unique 3 step sleep program. The total program takes 30 minutes and will automatically switch off.

STEP 1 Calming your child

Follow the waves and the orange fish swimming around the room, while listening to soothing ocean sounds.

STEP 2 Getting sleepy

Lower brightness, moving waves and only a few fish swimming around the room. Music changes to underwater bubbles.

STEP 3 Falling asleep

Non moving waves and fish. No sounds.

For the best projection, locate the product within 1 to 2.5 meters from the walls and ceiling. When batteries lose their power, the projection decreases, and the product might lose some of the features.
