ionmax RHINE PRO ION651
Compressor Dehumidifier & Air Purifier

2 YEAR WARRANTY

The Ionmax Rhine Pro is a powerful 2-in-1 solution that reduces excess indoor moisture to help prevent mould and mildew, while also purifying the air with its built-in HEPA H13 filter that captures 99.95% of airborne particles. It removes up to a whopping 50 litres of moisture from the air daily, collecting it in a large 5-litre water tank. Covering rooms of up to 300 cubic metres, this unit is ideal for households dealing with moisture damage issues in warm climates. It also speeds up indoor laundry drying and lets you monitor and control humidity levels remotely via the Ionmax app—making it perfect for healthier, drier living all year round.
